RE: Basketball Intramurals

DATE: 2/24/17

This year Intramurals will have 2 weeks of open gym/practice with games to follow for two weeks. During open gym, the children will work on the fundamentals of basketball through hands on training and group interaction. Coaches will then pre-select teams.

Again this year, we will not have a score book. We will still need workers to run the clock, but will not keep score. This will help the children to concentrate on the understanding and fundamentals of the game and not on the score. After the last game we will have the family pizza party. Look for information to come home later in the season.

Practice & Game Schedule (Games based on estimated number of participants.)
