Making a Difference in Our School
PCS Student Council

September 13, 2017

Dear Parents of 6th, 7th, and 8th Grade Students,

Our PCS Student Council, with the help of our jr. high teachers and students, have decided to work together and collect items for our local P.A.D.S. shelter. Peru PADS is a 24-bed homeless shelter that provides shelter, meals, and other services to those in need. They rely on both monetary and supply donations from our community. I have attached a list of items that P.A.D.S. would greatly appreciate

We would like to begin this drive next week and continue collecting until December 1st. Please contact me at any time if you have any questions. Together we can make a difference in our community and help provide some assistance to those in need.

Sincerely,

Mrs. Liz Quesse (Student Council Advisor)
