As a current or future family of Peru Catholic School, we have some exciting news for you. A new Illinois law, “Invest in Kids Act,” is a scholarship opportunity to help students attend Peru Catholic School. Scholarships offered through this new program have the potential to cover up to 50%-100% of tuition and fees for next school year.

Under the tax credit scholarships (TCS) program, individuals and corporations make donations to Scholarship Granting Organizations (SGO) that will distribute scholarships to schools on behalf of qualified students.

Based on qualifications, students may be eligible for a scholarship of 50%, 75%, or in some cases even 100% of tuition and fees. Scholarships are need based but also distributed on a first come, first serve basis so it is important to apply as soon as the application process is opened.

If you have any questions, please feel free to reach out to me directly at (815)224-1914. We look forward to sharing more about the new scholarship program in the coming weeks. Additional information can be found on our website perucatholic.org.

Sincerely,

Amy Perona, Principal
