

## PCS 3rd Annual Art and Talent Show

Our last event of the 2018-2019 school year will be our 3rd Annual Art and Talent Show!

Our Art and Talent Show will showcase works of art, as well as allow our students the opportunity to perform. Your student could perform in the following ways: Sing, Dance, Play an Instrument, or any other talents they may demonstrate.

If your students are looking to participate in the event, following is the schedule. We would ask that each student participate as follows:

- 6:00 - ? - Students who wish to perform should arrive for tryouts. We ask that your student bring their music on a flash drive if they will have music, and any props or instruments they will need. We will have a piano available for tryouts.
